Submitting Consumer Rights Requests. To submit any of the Consumer Rights requests as outlined above, please contact us at 833-278-9963 or legal@quincetx.com. We reserve the right to only respond to verifiable consumer requests. A verifiable consumer request is one made by any individual who is:

- the consumer who is the subject of the request,
- a consumer on behalf of the consumer's minor child, or
- by a natural person or person registered with the Secretary of State authorized to act on behalf of a consumer.

If we request, you must provide us with sufficient information to verify your identity and/or authority to act on behalf of the consumer. In general, we may ask you to provide identifying information that we already maintain about you or we may use a third-party verification service. In either event, we will try to avoid asking you for sensitive Personal Data to verify your identity. We may not be able to respond to your request or provide you with Personal Data if we cannot verify your identity or authority to make the request and confirm the Personal Data relates to you. However, making a verifiable consumer request does not require you to create an account with us. Additionally, you will need to describe your request with sufficient detail to allow us to review, understand, assess, and respond. Personal Data collected from an individual to determine whether a request is a verifiable consumer request may not be used or disclosed for any other purpose except as required by law. We will endeavor to respond to a verifiable consumer request within forty-five (45) calendar days of receipt, but we may require an extension of up to forty-five (45) additional calendar days to respond and we will notify you of the need for the extension.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option. Any disclosures we provide will only cover the 12-month period preceding the receipt of your verifiable consumer request. With respect to Personal Data collected on and after January 1, 2022, and to the extent expressly permitted by applicable regulation, you may request that such disclosures cover a period beyond the 12 months referenced above, provided doing so would not require a disproportionate effort by the Company.

The response we provide will also explain the reasons we cannot comply with a request, if applicable. To the extent permitted by the CCPA, we will respond to no more than two requests during any 12-month period.

You may authorize a natural person or a business registered with the California Secretary of State to act on your behalf with respect to the right under this CA Policy. When you submit a Request to Know or a Request to Delete, unless you have provided the authorized agent with a qualifying power of attorney, you must provide your authorized agent written permission (signed by you) to act on your behalf and verify the authorized agent's identity with us. We reserve the right to deny requests from persons or businesses claiming to be authorized agents that do not submit sufficient proof of their authorization.

However, because our website is not configured to detect Do Not Track signals from a user’s computer, we are unable to respond to Do Not Track requests.
